**SAPA Membership Spotlight**

The SAPA Board would like to welcome Marla Domino, Ph.D., ABPP (Forensic) as the newly appointed Psychology and Law Committee Chair. Marla Domino is a clinical/forensic psychologist who recently returned to her hometown of Tucson after an almost 30-year hiatus. She left the Old Pueblo after graduating from high school to pursue a bachelor's degree in psychology from the University of California, Santa Cruz. From there, she obtained a Master of Science Degree in Criminal Justice (Northeastern University) and a PhD in Clinical Psychology (University of Alabama), with a post-doc in forensic and clinical psychology (University of Massachusetts). Prior to her move

to Arizona, she spent 13 years as a Chief Psychologist at the South Carolina Department of Mental Health's Forensic Evaluation Service, conducting evaluations of competence to stand trial and criminal responsibility. She then started her own forensic private practice which she moved to Tucson this past August where she continues to conduct both criminal and civil forensic evaluations. Marla is impressed by the friendliness and camaraderie of the Tucson psychology community - and she is hoping to further organize the forensic community through her role as the psych/law committee chair of SAPA. But - she needs your help! If you have any interest in forensics, please consider **joining the psych/law committee of SAPA**. You can email Marla directly at [marladomino@aol.com](mailto:marladomino@aol.com) or call her at **520-800-3825** if you are interested or if you have any ideas for this committee.
